

Dear Arts Bonita Community,

As we bid farewell to another transformative year, I am honored and thrilled to reflect on the incredible journey we've embarked on together over the past six months since I joined the incredible team at Arts Bonita (Centers for the Arts Bonita Springs). From the moment I assumed the role of Executive Director, my commitment has been steadfast—to bring the magic of high-quality concerts spanning diverse genres to our beloved Performing Arts Center.

Our pursuit of excellence has been fueled by a deep passion for the transformative power of music and cultural expression, which builds connections and fosters a sense of belonging. Arts Bonita Performing Art Center is more than a venue; it's a vibrant hub for creativity where diverse voices converge and the heartbeat of our community resonates.

**Arts Bonita has always thrived on community support, and your contributions make these extraordinary experiences possible.** Your generosity ensures that we can continue to bring world-class performers to our stage and maintain the high standards that have become synonymous with Arts Bonita.

We are committed to curating a concert series that mirrors the rich tapestry of our community and now proudly present a spectrum of musical genres, from the spontaneous melodies of jazz to the soulful rhythms of blues, the fiery beats of Latin music, and the boundless creativity of eclectic performances. Each note played and each lyric sung has contributed to the mosaic of experiences that make Arts Bonita an unparalleled cultural destination.

The realization of such a diverse and high-quality lineup is not without a cost, particularly in the current economic climate. As we strive to maintain the excellence you've come to expect, I humbly ask for your support, whether large or small, you play a vital role in sustaining our mission and enriching the cultural fabric of our community.

Together, we will continue to build a community where the arts thrive, creativity knows no bounds, and every individual feels the transformative power of artistic expression. Your support is not just a donation but an investment in the cultural vitality of Arts Bonita and the community we collectively cherish.

Thank you in advance for your support; you are the key to unlocking another year of memorable performances and shared artistic experiences.

Wishing you a joyful holiday season and a harmonious New Year!

Warmest Wishes,

Alyona A. Ushe  
Executive Director, Arts Bonita
